Easter Service - Thursday 31st March

Dear Parents and Carers,

Our Easter celebrations are fast approaching. As part of our learning, we are organising Easter Services with Reverend Gill from St. Mary's Church.

Whilst we are still in a period of transition and recovery, we will be conducting our assemblies in school. We are recording these assemblies and will share them with families via a private YouTube account.

Children will rehearse and perform songs, poems and stories relating to Easter and the new life this time of year brings! These services, one for FS/Key Stage One and one for Key Stage Two, will take place on Thursday 31st March. Year 6 will also have the opportunity to visit St. Mary's Church as part of their service.

We know that you enjoy seeing your child participating in school events and we know that they provide a lot of precious memories. Therefore, we plan to share both Easter services online.

You can support us in keeping all children safe by:

- Remembering images and video should be for your own or family's personal use only
- Not sharing the link to the assemblies
- Not sharing imagery online or with anyone outside of your family
- Not recording the performance

If you have previously not given permission for your child to be recorded/photographed (via the Photography and Images of Children Permission Form which you should have completed when your child started at Ecclesfield Primary) then you will shortly be sent a text requesting that you complete the £0.00 **sQuid** offer entitled "Easter Service" by **11.00am on Friday 18th March** to give permission for your child to be recorded as part of the service. If we **do not** receive communication via **sQuid** by this date, your child will still take full part in the event but will not be filmed. If you **do not** receive a text and **sQuid** offer, you have already given us permission to record/photograph your child.

After filming the services, we will share details of how they can be watched online.

Many thanks

Mr Steel
