Care Plans

Dear Parents and Carers,

Thank you to the parents and carers who regularly update school with information regarding their child's care plan. Please do continue to contact school if there have been any further changes.

If your child has been recently diagnosed with an illness that requires monitoring or requires medication at school then please discuss this with Mrs Stevenson or Mrs Phillips as soon as possible.

Named inhalers and named spacers need to be brought to school on the first day of term. Please check for expiration dates and ensure that the £0.00 sQuid offer entitled "Asthma Medical Permission" has been completed.

If your child needs to take **prescribed medicine** for a limited period, please complete the £0.00 sQuid offer entitled "Medicine Administration".

Can I remind all parents and carers to not send Calpol sachets, tablets or any other medication into school in lunch boxes or in coat pockets.

Kind regards

J. Eagleton
