7th February 2023

Dear Parents and Carers,

As Spring is on the horizon, and the days are getting longer, we are reviewing our playground collection system for F2 and KSI pupils. Covid restrictions no longer apply and the legacy lining up procedures put in place no longer need to operate. Therefore **from Wednesday 8th February 2023** please see the revised arrangements:

Morning

In the morning the children need to line up ready to enter the classroom once the teacher has appeared. F2 pupils will continue to wait in the KSI yard near to the F2 fence.

End of the school day

We are asking that F2 and KSI parents wait outside their child's classroom - not too near the windows please. Teachers will release children to their parents/carers from the class carpet area once the teacher has identified the correct parent/carer for the that child. This is how we used to work pre-March 2020. In so doing, the formality of the line systems can be much reduced and parents no longer need to form a line.

We understand that there will be some parents who still do find it stressful on occasion to be amongst larger crowds. The playground has sufficient space hopefully to allow you to feel comfortable should you need to keep a distance.

Kind regards

J Eagleton
