Y4 Science Afternoon - Tuesday 13th June 2023

Dear Parents and Carers,

On Tuesday 13th June, both Year 4 classes will be hosting a science investigation afternoon looking at a range of working scientifically skills such as: predicting, analysing and evaluating. We would like to invite all parents and carers to attend the session, which will begin at 1:40pm and finish at 2.40pm.

The aim of the session is for the children to explore the subject of science by carrying out different scientific investigations to see whether the outcome is different or similar to their prediction. This is a fantastic opportunity to spend some quality time with your child!

If you wish to attend, please book a place via the £0.00 **sQuid**, entitled **Y4 Science Afternoon** by 11.59pm on Monday 12th June.

Please enter school through the main reception at 1:30pm on the day.

We hope you'll be able to join us for this event.

Miss Latham and Mr Wells
