Dear Parents and Carers,

We would like to offer our Year 6 pupils the opportunity to take part in a 2 night (3 day) residential experience in June 2024 at Thornbridge Outdoors. **Please note this is later in the school year than when we have been in previous years.**

The benefits of a residential visit include building team working skills, developing confidence staying away from home and building independence skills to name a few. It has always been such a great experience for the children in the past and the children have taken many special memories from the visit.

The cost of the visit last year was £173.50. We will aim to keep as close to this price as possible, but as we all know, prices have been increasing recently, we are anticipating that the cost of the visit will be slightly higher. The cost will include the coach, food and instructor-led activities for all of the sessions the children take part in. We have set up a **sQuid** offer so that you can start to pay for the visit in instalments if you would like to. This will also indicate the numbers we will have from each class.

If you would like to start making payments, please use the **sQuid** offer entitled "**Thornbridge 2024 Payments**" which allows you to choose the value of the instalment you wish to pay by changing the £0.00 to your chosen payment amount. The offer can be used as many times as you wish.

In January 2024, there will be a dedicated meeting about Thornbridge where we will discuss the menu, food, activities and final price in more detail. However, the option to begin to pay for the visit will be available through the summer holidays.

If you have any further questions, please feel free to contact us via the office.

Kind Regards  
The Y6 Team
