### Better Learners, Better Workers

Dear Parents and Carers,

Over the course of this academic year, our Y6 pupils will be participating in an exciting programme titled 'Better Learners, Better Workers'.

#### Who leads the programme?

It is led by 'The Cutlers' Company', who work in partnership with Sheffield City Council and local businesses. It is an employer-led programme that provides young people with the knowledge, skills and attitudes they will need to be successful in the world of employment with a particular focus on STEM (science, technology, engineering, maths).

#### What does it involve?

The children will be exposed to a range of high-quality employer encounters, experiences and challenges to develop their job-ready skills and behaviours. The programme is focused on specific employment sectors to allow young people to develop more in-depth knowledge and understanding of the work based world.

#### What are the benefits?

The programme aims to give our pupils the opportunities to develop their career aspirations, increase personal confidence and motivation, and have an awareness of the world of work and employability skills.

The programme will start with a launch event within school on 9th October and will continue throughout the year.

The dates of the programme are

09.10.2023

19.12.2023

24.01.2024

07.03.2024

27.06.2024

Please save the date of 8th July 2024 when you as parents will be invited to the Cutler's Hall in the city centre from 1.00pm-3.00pm to watch your child 'graduate' from the programme. More details will follow nearer the time.

For more information about the programme please visit-

[About the Programme - Better Learners Better Workers](#)

Many thanks

Mrs Travers, Mr Steel and Miss Robinson
