Y4 Multiplication Timestable Check Parents Meeting

Thursday 9th November 2023

Dear Parents and Carers,

As you may be aware, pupils in Year 4 are required to undertake a statutory multiplication assessment during the Summer term. We would like to invite you to an information evening on Thursday 9th November at 3:20pm in the Y4 classroom.

During the session, we will answer any questions that you may have and discuss the timestable assessment that will be taking place during June. We will provide you with all the relevant information you and your child will need, including some practice questions, useful tips and what to expect.

This session is aimed at parents and carers, however we know you will have your children with you straight after school. Staff will be available in the other Y4 classroom to look after your children whilst the presentation is happening.

Many thanks

Y4 team
