Summer Holiday Reading

Dear Parents and Carers,

Thank you for all of your support with your child's reading this year.

While we require all physical books to be returned to school before the summer holidays, we by no means wish to stop your children from engaging with reading. Therefore, we have access to the following websites which children can use to support their reading development over the summer holidays.

For children in FS/ Y1 and Y2, please use the ELS Ebook Library.

All children will be sent home with their own username, password and school code this week and they will have phonics ebooks assigned to them to read over the summer holidays.

For children in Y3, Y4, Y5 and Y6, please continue to use MYON. Children will be reminded of their access codes by staff this week.

In addition, we would love to invite you to join in with the Sheffield Libraries Summer Reading Challenge. You can join in via the link below or by visiting your local library.

1. Sign up
Visit your local library and ask to sign up – a librarian will give you a special collector folder when you start your Challenge.

2. Read books
Set a reading goal and read anything you like.

3. Earn rewards
Each time you finish a book, visit the library. You will collect special stickers and rewards for reading books!*

Children who complete the reading challenge will be rewarded with a prize upon their return to school in September which will be presented in Merit Assembly.

As always, should you have any questions, please speak to your child's class teacher or myself, Mrs Oldham.

Thank you for your continued support with your child's reading.
