[Online Learning: MyOn and TT Rockstars](#)

Dear Parents and Carers,

We are writing to you today to remind you about two exciting resources that your child can access from home to encourage the love of reading and help them practice their times tables.

MyOn.

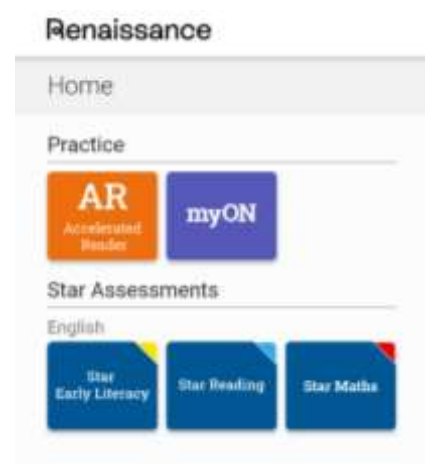

The reading resource is called myON and is available to all pupils from Y2-Y6. All you need is an internet connection and a suitable device to read from.

myON is an engaging way to access fiction and non-fiction books at home, on holiday or wherever you may be. You can access it by following the link below or typing into a web browser:

<https://global-zone61.renaissance-go.com/welcomeportal/6701658>

To login you simply go to the above web address and use the login details your child has been sent home with.

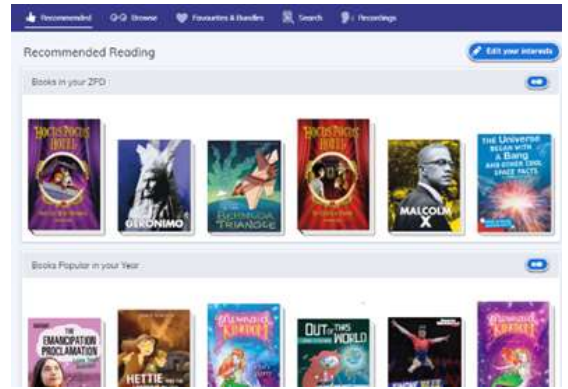

Then click on the myON tile

This resource works like an online library. Once you are logged in, you will be able to search for exciting new reads in a number of ways:

- Books recommended for your child's reading age
- Books within an area of interest
- Books that are popular amongst other children in your child's year group

Simply select a book that interests you and get reading!

The books you select are colourful and entertaining. You can even choose a narrator to read the books to your child, if you prefer. As well as tailoring books to your child, the resource also helps you keep a track of what you have been reading. Your child can earn points for the reading they complete, keep track of their total reading minutes and check in on weekly progress.

TT Rockstars

TT Rockstars is an online platform which creates fun opportunities for children to develop and recognise their lifelong maths skills.

You can access it by following the link below or typing into a web browser:

<https://ttrockstars.com/>

To log in you simply go to the above web address and use the login details your child has been sent home with.

We have had wonderful reviews from pupils about both resources and we cannot wait to hear about them this year.

If you have any questions, please speak to your class teacher or get in touch with us via the office.

Kind regards,

Mrs Travers and Miss Lawrence
English and Maths teams
