Dear Parents and Carers,

I am writing to update you regarding instrumental and music lessons for the next academic year.

As many of you will know, we had arranged for a new music provider to deliver lessons at school from September. Unfortunately, they have recently informed us that they are no longer able to offer this provision. I understand that this may be disappointing and inconvenient, and I would like to sincerely apologise for the uncertainty this may cause.

As Music Lead, my priority is, and always will be, the children and ensuring that we provide the highest quality music opportunities possible. I am currently working hard to secure a new provider who can offer engaging, high-quality lessons for our pupils and continue to develop the strong musical opportunities available at Ecclesfield Primary School.

In order to help me plan for next year, I would be very grateful if parents and carers who are interested in music lessons could complete the ParentPay offer to inform us on your child's current music provision in school.

Once a new provider is in place, I will pass all information directly to them so that arrangements can be made as quickly and smoothly as possible.

Thank you for your patience, understanding and continued support while we work through this unexpected change. I am committed to ensuring that our children continue to have access to exciting and high-quality musical experiences.

Yours sincerely,

Mr Walker
Music Lead
