[Missing Scooters - Request for Return and Security Reminder](#)

Dear Parents and Carers,

I hope this letter finds you well. I am writing to inform you about an important issue that has arisen at Ecclesfield Primary School over the last half term.

Scooters Missing from School Site

In recent weeks, three scooters have been taken from the school site and, unfortunately, have not been returned. We understand that these scooters are valuable to our pupils and families, and we are keen to see them returned as soon as possible.

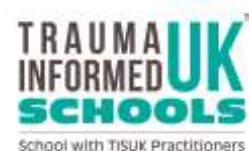

What We Need from You

- If your child has brought home a scooter from school that does not belong to them, please return it to the school property by the end of the first week back.
- If your child's scooter has been stolen, we advise you to contact South Yorkshire Police to report the theft.
- Please ensure that any bikes or scooters left in the bike shed are locked securely with a bike lock to help prevent further incidents.

How You Can Help

We kindly ask all parents and carers to:

- Check at home for any scooters that may have been mistakenly brought home.
- Speak to your child about the importance of only taking home their own property.

- Use a sturdy lock for any bikes or scooters left on school premises.
Example: D-locks or combination locks are both effective options.

Your Cooperation Matters

We appreciate your support in helping us maintain a safe and respectful environment for our pupils' belongings. Your cooperation will go a long way in ensuring that everyone's property is kept safe at school. Attached to this email are pictures of the scooters that are missing, please check at home for these.

Further Questions or Information

If you have any questions, or if you have information regarding the missing scooters, please contact the school office:

- Email: enquiries@ecclesfield-pri.sheffield.sch.uk
- Phone: 0114 246 7396

Thank you in advance for your attention to this matter and for your ongoing support.

Kind regards,

Mrs Robinson

Head of School
