Home Reading

Dear Parents and Carers,

As a school we understand the value of reading and really appreciate the support given from home; it has been a joy to see the children's love of reading grow. Due to the current situation, we are unable to send physical Reading Books and Reading Records home as we have done previously.

To address this issue, we have signed up to a website called 'Bug Club' which has a range of eBooks that children can read on a device. Your child's teacher will be in touch with your child's username and password within the next week, along with details of how to access the website. Please see the attached document which contains links to videos explaining how to use Bug Club with your child.

Additionally, we have created an online Reading Record which you can access via your child's Google Classroom page. This will enable regular communication between home and school about the progress your child is making with their reading.

As part of homework each week, please read with your child and complete the reading record online before the Friday of the week. Once you have completed the reading record, your child's teacher will record their efforts and they will receive 1 dojo per read at home.

Each class will be counting how many reads take place over the week and there will be a prize for the class with the highest number of readers that week!

Your child's class teacher will have sent you the login details to Google Classroom. Once you have logged in, please click the 'Reading' topic and there you will see the 'Reading Record'.

If you have any questions regarding this, please do not hesitate to contact your child's class teacher or Mrs Oldham.

Many thanks for your continued support,

Mrs Oldham
