

Dear Children,

I just wanted to say hello to those of you who will have to stay at home for the next few weeks.

I know how much you love your learning and I am sure that you will try your best to join in the remote lessons that your teachers are now busy planning. These will start tomorrow.

Keep safe online and have a healthy diet of screen and non-screen time. Joe Wickes is starting his PE classes next week. They will be on a Monday, Wednesday and Friday. I might even do them!

All your teachers will miss seeing you each day but they will be around to communicate with you via google classrooms and when you are having your live lessons!

Take care,

JEagleton
