Y6 Thornbridge Outdoors Residential

Y6PK Monday 8th November - Wednesday 10th November 2021

Y6N Wednesday 10th November - Friday 12th November 2021

Dear Parents/Carers,

We would like to offer our Year 6 pupils the opportunity to take part in a 2 night (3 day) residential experience in November 2021 at Thornbridge Outdoors. We previously sent out a google form to gauge interest and feasibility and the response was extremely positive. Thank you to all who responded.

The benefits of a residential visit include building team working skills, developing confidence staying away from home and building independence skills to name a few. The experience also supports transition as it's a great way for the children to cement relationships with their new teachers. It has always been such a great experience for the children in the past.

We are anticipating that the cost of the visit will be around £166. This will include coach, food and instructor-led activities. We have set up a sQuid offer so that you can start to pay for the visit in instalments if you would like to. This will also indicate the numbers we will have from each class.

If you would like to start making payments, please use the sQuid offer entitled "Thornbridge Payments" which allows you to select the amount you wish to pay. The offer can be used as many times as you wish.

In September, there will be a dedicated meeting about Thornbridge where we will discuss the menu, food, activities and final price in more detail. However, the option to begin to pay for the visit will be available through the summer holidays.

If you have any further questions, please feel free to contact us via the office.

Kind Regards

The Y6 Team
