28th June 2021

Year 2 Design and Technology: Food and Nutrition Unit

Dear Parents and Carers,

In the upcoming weeks, as part of our Design and Technology lessons, we will be designing and making our own healthy soup. As part of our learning leading up to this, we are going to be tasting a small range of fruits, vegetables and different soups. We will then be comparing the tastes of the foods, discussing what we liked and what flavours we could taste. We will ensure we comply with strict COVID-19 guidance when completing our activities. All children will have their own equipment and individual resources.

This will take place on:

Thursday 1st and Friday 2nd July 2021

Thursday 8th and Friday 9th July 2021.

Please complete the sQuid offer entitled "Y2 Food Tasting" by 11.59pm on Wednesday 30th June 2021 to indicate whether you wish your child to participate.

If you do not complete the sQuid offer, your child will not be able to join in with this activity.

If you would like any further information or would like to discuss any food allergies or intolerances, please do not hesitate to get in touch.

Thank you,

Mrs Hancox, Mrs Hurst and Mr Steel
