22nd April 2021

Y6 Maths Booster Group

Dear Parents,

We are writing to invite your child to a Y6 Maths Booster club which will be starting on Thursday 29th April 2021 and continuing throughout the Summer term.

Their booster group will be on a **Thursday** after school, starting at 3:30pm and finishing at 4:30pm.

The idea of booster club is to address some of the needs that children have to help them to be prepared for secondary school. The club provides an opportunity to work through some questions and gain confidence in areas that they find difficult. The focus for your child for this booster will be on **maths** arithmetic skills and reasoning.

The children will be offered refreshments and a break after school, before the session begins. Children who attended regularly in previous years found the sessions extremely useful.

If you wish your child to attend booster group, could you please fill out the £0.00 sQuid offer entitled "Y6 Maths Booster Group" to give permission for your child to attend the group by the deadline of 11.59pm on Tuesday 27th April.

As always, if you have any questions then please ask!

Thank you,
The Y6 team
