## What have we been learning this week?

It is a week for D.T learning this week!

Year 3 and Year 4 have both been disassembling, practising skills, planning and designing products.

Year 3 have created some lovely prototypes for a plant biome that protects the plant from extreme weather. They have been very impressed with their creativity.

Year 4 have been planning their own PE bag personalised to the owner, practising different types of stitches that they may use in their final product.

Good attendance and punctuality habits are vital if pupils are to achieve their maximum potential.

Ecclesfield Primary School is committed to working with parents/carers and pupils to ensure that each pupil benefits from the academic, personal and social opportunities available to them during their years with us. In order to promote and recognise good attendance, we use a range of strategies;

Class attendance figures are shared with all the children and staff as part of Friday achievement assembly. There are rewards for the class with the highest attendance.

Improved attendance is recognised and rewarded in class by the teacher on a 1:1 basis and also with our inclusion and attendance team.

Daily Dojo points are also given to children who are in school on time.

Weekly raffle to win a tuck shop voucher for 100% attendance

Termly certificates are awarded to pupils with above 96.6% attendance.

Well done to Y2OT, Y3W and Y5G who are our attendance winners this week.  
Great work!
