ECCLESFIELD PRIMARY SCHOOL

## Well done to all this week's Merit Award Winners!

A huge well done to all of the pupils who received certificates this week. It is great to see so many children showing fantastic examples of our learning mindsets; **Respect, Responsibility and Resilience**

## Co-Parenting Programmes

As Parents we all want the best for our Children, that is why positive co-parenting is so important for the whole Family but at times can be challenging. In Sheffield we recognise this and have the following programmes you can access for support.

### EPEC - Being a Parent Together Programme

Duration: 10 weeks

This programme is for co-parenting couples to attend together who are either living together or apart. This is an opportunity to reflect on what is working well in the family, putting the children's needs first and what areas could be further developed or changed. The programme aims to improve child development, parenting, family resilience and family relationships. The Being a Parent Together programme creates a trusting group ethos, where parents are encouraged and supported.

### EPEC - Being a Parent Together Workshops

Duration: 2 hrs 15

This workshop is for co-parenting couples to attend together who are either living together or apart. This is an opportunity to reflect on what is working well in the family, putting the children's needs first and what areas could be further developed or changed. The workshop aims to improve child development and outcomes, parenting, family resilience and family relationships. The Being a Parent Together workshop creates a trusting group ethos, where parents are encouraged and supported.

There are three Workshops available:

- Good enough parenting, working as a team and managing conflict
- Understanding children's feelings and behaviours
- Communication styles and I statements

### Family Transitions

Duration: 6 weeks

This is a programme for parents who want to support their child to cope with and understand separation or divorce. The programme looks at positive communication and relationships to help to adjust to the new family make up. It also includes lots of helpful resources around self care and managing stress.

Parents do not attend the same session as their ex-partner, but the sessions give parents the tools to help support them and their child/children during this difficult time.

### Family Communication Seminar

Duration: 90 minutes

A practical seminar for parents and carers of school aged children. Why communication quality matters to your child's education and how to create the best relationship environment for your children. This seminar covers the following helpful topics:

Setting a good example for your child. Home and school environments - how to help your child. What we do and say - the difference it can make. Learn simple effective skills of being assertive to improve communication in your relationships.

## GOLDEN BROOM AWARD

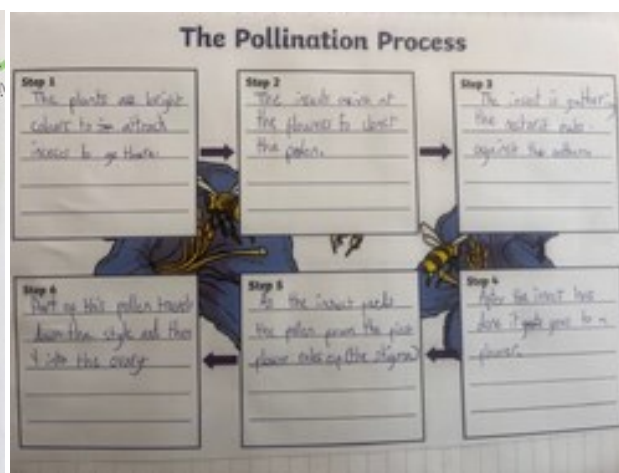

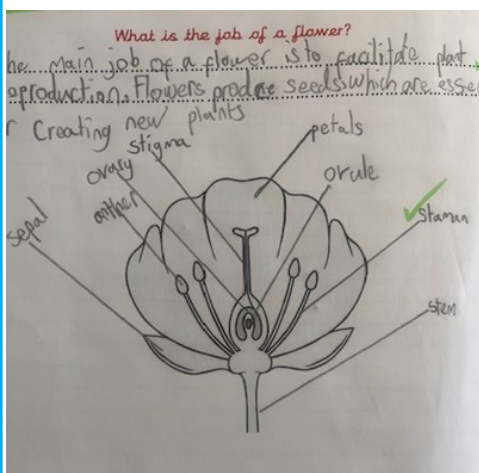

The winners of this week's Golden Broom Award for having the tidiest cloakroom are Y4L.

Well done!

## What have we been learning this week?

Year 3 have been learning all about plants this week and how one plant can help other plants to grow. They have studied the different reproductive parts of a plant before learning their role in the process of pollination before writing an explanation of the process. They then built on their knowledge of seeds, giving examples and explaining their differences in the process of seed dispersal.

Type of seed dispersal	Meaning	Examples
Shaking	Shakes to disperse their seeds	Poppy seeds
Wind	How the wind carries it away	Sycamore
Water	They float on the water	Water lily
Catching a Ride	hook onto humans or animals	Cocklebur
Food	eaten and then comes out the other end	berries
Drop & Roll	fall to the ground and take away seeds	horse chestnut

# Clean Air Week

To celebrate Clean Air Week, we have some VIP visitors coming into school next week. Councillor Ben Miskell and Marie Tidball MP will be coming into school to officially open our new bike shelter. There will be a ribbon cutting ceremony alongside our Eco-Team who have been working really hard to promote Active Travel in school.

We are very excited to welcome our visitors to school!

## BIKE SHELTER AND SCOOTER STORAGE

Our new bike shelter and scooter storage will be open for use from **Tuesday 17th June**. Therefore access to the front grassed area will no longer be open from this date.

We ask that children walk their bikes and scooters on school grounds, and do not ride them through the paths or playground. As the bike shelter is in the KS2 playground, we do ask that bikes are locked up to ensure they are not accessible to other children.

Good attendance and punctuality habits are vital if pupils are to achieve their maximum potential.

Ecclesfield Primary School is committed to working with parents/carers and pupils to ensure that each pupil benefits from the academic, personal and social opportunities available to them during their years with us. In order to promote and recognise good attendance, we use a range of strategies;

Class attendance figures are shared with all the children and staff as part of Friday achievement assembly. There are rewards for the class with the highest attendance.

Improved attendance is recognised and rewarded in class by the teacher on a 1:1 basis and also with our inclusion and attendance team.

Daily Dojo points are also given to children who are in school on time.

Weekly raffle to win a tuck shop voucher for 100% attendance

Termly certificates are awarded to pupils with above 96.6% attendance.
