ECCLESFIELD PRIMARY SCHOOL

## Well done to all this week's Merit Award Winners!

A huge well done to all of the pupils who received certificates this week. It is great to see so many children showing fantastic examples of our learning mindsets; **Respect, Responsibility and Resilience**

## Active Travel Week

As part of our active travel event next week, we will be holding a wacky wheels competition. Children are encouraged to bring their bike or scooter into school decorated in a wacky way. You could use stickers, tinsel, streamers and many more creative ideas to make your wheels as wacky as they can be! Each class will have a designated day to bring in their wacky wheels to be judged in school. There will be a prize for the wackiest wheels each day!

FS/ KS1 - Monday 19th May

Y3/ Y4 - Wednesday 21st May

Y5/ Y6 - Thursday 22nd May

If you don't have a bike or a scooter, then you can design your own wacky wheels and bring in your design on Thursday 22nd May. Please ask your child's class teacher if you'd like a picture sent home for your child to design and decorate.

Along with this newsletter, we are sending a Park and Stride map. This suggests parking areas within a 5 minute walk to school so that you and your child can participate in the active travel week.

## Well Done Year 6!

A huge well done to all of Year 6 pupils! You've all shown incredible resilience and determination throughout the year, especially during SATs week this week. We are so proud of you all.

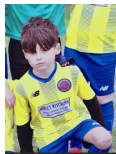

Next week our Year 6's will be raising funds for our upcoming celebrations by taking part in the "Young Enterprise" scheme. We have organised a timetable for the week where each year group will have two turns to enjoy the stalls. We encourage that your child only brings in a couple of pounds, no more than £5 (in coins). We will try our best to encourage them to spend wisely! The timetable is as follows:

	Year groups for stalls
Monday 19th May	FS, Y1, Y2 and Y3
Tuesday 20th May	Sports Day - Stalls will be available throughout the afternoon for FS and KS1 children and their parents/carers!
Wednesday 21st May	Y1, Y3, Y4 and Y5
Thursday 22nd May	FS, Y2, Y4 and Y5

Well done!

## What have we been learning this week?

Year 5 have had a special delivery this week!

To help support their learning about lifecycles and comparing the lifecycles of different animal groups (amphibians, reptiles, birds, insects and mammals), they have their very own chicken eggs which have been incubating for the past few days! Luckily, at the end of the week, they have hatched so we say a huge welcome to our ten new members of Year 5!

The children have been using videos to observe how they change over time and any patterns they notice with their growth cycles.
