Well done to all this week's Merit Award Winners!

A huge well done to all of the pupils who received certificates this week. It is great to see so many children showing fantastic examples of our learning mindsets; **Respect, Responsibility and Resilience**

We are very proud!

Well done to Oliver (Y3) who was presented with the "Steel Award" at Beavers on Saturday for being "the Beaver that always tries their best". He gets to keep the shield for a whole year which has his name engraved on it.

Eleanor and Alec Penson, have also both performed ballet and tap in their Just Dance shows! You both did an amazing job, and we are really proud of you!

At school, we take the safety of our pupils very seriously, including their online safety. Whilst they access the internet at school, they are taught how to keep safe online and our school firewalls block inappropriate sites.

As we know, online safety needs to be something which is taught and discussed at home as well as at school.

We would like to share the NSPCC website with you which is a fantastic resource to help you guide your children and help you keep up to date in a digital world.

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

The children's world is online and off line, and they see no distinction between the two worlds. Please support school by helping your child to stay safe online. Can we also take this opportunity to remind you that if pupils bring in mobile phones, they **MUST** be handed in at the office and should not be turned back on whilst on school grounds.

Book of the Week

Topic: Environment Awareness

Title: The Last Tree

Author: Emily Haworth-Booth

Genre: Fiction

Toys in FS Needed

FS are desperately in need of sand toys and water toys, small cars/diggers/trucks and construction toys such as Duplo and Sticklebricks.

If you have any items that your children no longer use, we would welcome donations in the school office.

Retired Teacher

We would like to send our condolences to the family and friends of Margaret Naylor who has passed away at the age of 95.

She was a teacher at our school in the 1970's.

What have we been learning this week?

Many year groups have been celebrating fieldwork fortnight this week, focussing on geographical skills in our local environment. Year 3 have been taking part in litter surveys in the local area, looking for patterns in what types of litter there is. Year 4 have been using colour charts to match to a range of items in our school grounds to identify popular colours in nature and the impact of colour of key processes like pollination. Their observational skills have definitely been put to the test, but they have all relished in the challenge!

Good attendance and punctuality habits are vital if pupils are to achieve their maximum potential.

Ecclesfield Primary School is committed to working with parents/carers and pupils to ensure that each pupil benefits from the academic, personal and social opportunities available to them during their years with us. In order to promote and recognise good attendance, we use a range of strategies;

Class attendance figures are shared with all the children and staff as part of Friday achievement assembly. There are rewards for the class with the highest attendance.

Improved attendance is recognised and rewarded in class by the teacher on a 1:1 basis and also with our inclusion and attendance team.

Daily Dojo points are also given to children who are in school on time.

Weekly raffle to win a tuck shop voucher for 100% attendance

Termly certificates are awarded to pupils with above 96.6% attendance.

Well done to YIB, Y2OT, Y6L and Y6KN who are our attendance winners this week. Great work!
