What's been happening @ Ecclesfield?

Year 3 have had a wonderful time this week. They took part in a Guinness World Record attempt on Monday down at the FlyDSA Arena as part of the 'Move More' initiative where they had to hopscotch for 10 minutes non-stop. Over 660 people contributed to the cause and we are eagerly awaiting confirmation that the record has been accepted!

Y3 also invited parents in for the afternoon to practise their scientific investigatory skills. In groups, they tried out a range of different experiments to see whether the outcome was different to their own predictions. They even tried some scientific challenges to find the answer to investigative questions. Thank you to all parents who supported their children on Tuesday! The children and staff value your time greatly!

Well done to Samuel Battersby in Year 1 who passed his Stage 2 swimming this week!!!!
