## 1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Ecclesfield Primary School is committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs.

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

Ecclesfield Primary School aims to provide every child with access to a broad and balanced education that meets the specific needs of individuals and groups of children.

As an inclusive school we aim to provide equal opportunity for all our children by paying attention to the different groups of children within our school:

boys and girls;  
children with Special Educational needs and disabilities  
minority ethnic and faith groups;  
children with EAL (English as an additional language);  
G&T (gifted and talented children);  
any children who are at risk of disaffection or exclusion

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

## 2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

At Ecclesfield Primary, our intention for Special Educational Needs and/or Disabilities (SEND) is to ensure that all children receive a high-quality and ambitious education regardless of need or disability. We believe that it is vital that our pupils are equipped with the tools needed to become independent, inquisitive learners both in and out of the classroom.

Through our high quality planning, teaching and provision we:

- Pride ourselves on early identification and intervention for

SEND to ensure that progress and opportunities are maximized

- Ensure that all children have access to a broad and balanced curriculum which is personalised to enable children to understand the relevance and purpose of learning
- Provide an accessible learning environment which is tailored to the individual needs of all pupils
- Develop children's independence and life skills
- Regularly monitor the progress of children with SEND, using a child centered approach
- Provide good quality and relevant training for all staff members supporting with SEND
- Work in partnership with parents and carers
- Work closely with external agencies and other professionals to refine and develop our provision for children with SEND

We have carefully considered and analysed the impact of this policy on equality and the possible implications for pupils with protected characteristics, as part of our commitment to meet the Public Sector Equality Duty (PSED) requirement to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations.

### 3. Action plan

It is a requirement that our accessibility plan is resourced, implemented, reviewed and revised as necessary. Below is a set of action plans showing how Ecclesfield Primary School will address the priorities identified in the plan. The plan is valid for three years 2019-22. It is reviewed annually. This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

#### Our Accessibility plan 2021-2024

AIM/OBJECTIVE	CURRENT PRACTICE	GOOD PRACTICE	ACTIONS TO BE TAKEN	PERSON RESPONSIBLE	DATE TO COMPLETE ACTION S BY	EVALUATION
To continue support and access tailored provision for pupils displaying complex	Early identification of pupils requiring additional support Completion of FCAF Discussion at locality panel meetings with		Continue with early identification of pupils requiring additional support Completion of	SENDCO	Ongoing	July 2022 Evaluation:  We currently have a small number of children who access alternative provision. This is reviewed weekly or fortnightly with parents depending on need.
